PURE GREEN TEA

Just as it says on the tin, "Pure". Just add boiling water, stand for three minutes and enjoy.

LEMON GREEN TEA

This is predominantly pure green tea with a twist of lemon essence. Drink it hot and feel the warmth as it goes down.

BERRY FRUITS

Naturally caffeine free, this hot drink is fresh and thirst quenching.

LEMON & GINGER

Naturally caffeine free, this uplifting drink is a go to when you feel run down. Don't want it sharp? Add a spoonful of honey!

PEPPERMINT

This is a refreshing and reviving drink. Peppermint is said to have many healing properties and often used to treat anxiety, bloatedness, nausea, cold symptoms and many more.

CARDAMOM TEA

This is a spice that was originally found in India and, to this day, is still used to treat medical conditions. Cardamom has been found to have anti-inflammatory, anti-oxidant and anti-bacterial properties. It has also been used to treat digestive problems. This said it is a really pleasant drink and lends itself to being sweetened with sugar or honey!

CARDAMOM GREEN TEA

Switch it up with pure green tea flavoured with cardamom. What's not to like with this refreshing drink?

ROYAL KASHMIRI CHAI

A natural spice blend of cardamom, ginger, black pepper, beetroot, fennel and saffron all mixed together with skimmed milk, sugar and green tea, this is the tea of Kings. It is traditionally made with hot skimmed milk and is aromatic and sweet.

EARL GREY TEA

A favourite English beverage, this tea is made with Black Tea, flavoured with Bergamot and usually served without milk.
